TALENTED EUROPE IN A NUTSHELL

1. Fred is a Talented Student and he's looking for a job.

He joins Talented Europe at talentedeurope.eu and **asks his College to validate** his profile

3. A business who is in Talented Europe finds Fred's resume and contacts him for an interview.

He **receives a notification on the mobile app**, and books a meeting with them

2. Fred's College receives a notification.

A teacher reviews his academic expedient and validates that he's able to join the ranks of the elite students of Talented Europe

4. Thanks to Talented Europe, Fred found an exciting job fit for his talents.

Be like Fred and many others and join us at talentedeurope.eu
